**RE: John Edwards for President (C00431205)  
Year End Report Amendment**

Dear Ms. Palmer:

John Edwards for President (the "Committee") has filed an amended Year End report in response to the Federal Election Commission's letter from the Reports Analysis Division dated February 26, 2008. All corrections herein are reflected in the amendment filed today, March 25, 2008.

*I. Election Cycle-to-Date Values*

The Committee has reviewed the report and corrected any errors in the election cycle-to-date values. As a matter of policy, the Committee regularly analyzes contributor data for potential aggregation issues.

- A. Daniel Smith's ECTD now correctly reflects \$4600 (\$2300 for the primary and general elections each). The amended report also properly reflects the reattribution of \$2300 to his wife, Lucinda Lee.
- B. Mark Wallis' ECTD total now reflects the correct amount of \$2000.
- C. Raymond Weil's ECTD total now reflects the correct amount of \$850.
- D. Loretta Young's correct ECTD is 230.08. The Committee issued a refund in the amount of \$1000 on July 16, 2007.

*II. Schedule B-P, supporting Line 28(a)*

The Committee has identified and corrected all press travel reimbursements previously reported on Schedule A, line 28(a). These refunds will now appear on the line 20(a) on the amended report.
